TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 4(e) Other:

There is no claim 35, however the claims as numbered end on 40, but the examiner further notes that the previous amendment filed on 6/1/2006, which added new claims 23-40, there was also no claim 35 (hence the noncompliant really should've been sent out at that time, sorry). So to clarify the record, either the nonexistent claimed 36 needs to be canceled or claims 37-40 need to be renumbered by rule 1.121, as claims 36-39, whichever will create less confusion. Note if renumbered, for clarity of record renumbering should be clearly indicated, including citation of the rule, which could be done appropriately in the initial comment & both comments and rejections would need to be updated for the shift in numbers.

It is also noted that in at least two claims (26 & 37 as presently numbered), single letter words have been deleted by strike through, which should more appropriately be done by double bracket, [[]], for better visibility by the reader and by the printer.

A handwritten signature in black ink, appearing to be "Huff", is located in the lower right quadrant of the page.
